LB 118, 259A

the plate. I'm not going to get emotional about it. Obviously I would like to see it done. I hope 25 others in here would like to see it also. I would ask that you return the bill to Select for the adoption of this amendment.

SPEAKER NICHOL: The question is the returning of the bill for the Morehead amendment. All those in favor vote aye, opposed nay. Have you all voted that care to? I don't want to call this too quickly, on the other hand... Record, Mr. Clerk.

SENATOR MOREHEAD: Could we have a record vote?

CLERK: Record? Record vote, Senator?

SENATOR MOREHEAD: Let's have a roll call. Can we have a roll call? Thank you.

SPEAKER NICHOL: We're all here. Let's have it quiet so the Clerk can hear. It is difficult to hear up here, you don't realize it from down there. You going to go from the reverse end this time, Mr. Clerk?

CLERK: Roll call vote taken. (See pages 2461 and 2462 in the Journal.) 23 ayes, 23 nays on the motion to return, Mr. President.

SPEAKER NICHOL: The bill is not returned. Do you have anything else on the bill, Mr. Clerk?

CLERK: No.

SPEAKER NICHOL: We'll move on to LB 259. Okay, 259A is first, 259A.
